

UI Testing

1. Home page loaded successfully.
2. The search option is working correctly.
3. Enter the product name "Nike React" and the product page is showing successfully.
4. Select "**Nike odyssey react flyknit 2**" and the product is showing successfully.
5. Selects size - S and color - Black, but the size is showing XL and the color is showing Pink instead of showing the size (S) and color (Black) in the product page.
6. Clicks "ADD TO CART" and adds 4 products and product added successfully but the color and size is showing different in the add to cart page.
7. Product "QUANTITY", "INDIVIDUAL PRICE" and "TOTAL PRICE" are showing accurately in the shopping cart page.

Defects Report (UI)

ID - DEF_001

Summary - Color and Size is showing "XL" and "Pink" after choosing size - S and color - Black.
